

April 6, 2011

Below are anticipated construction activities for the week of 4/9/2012.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Traffic signal improvements are underway on the following roads.

- 16th Street from Dr. Andrew J Brown Avenue to Roosevelt Avenue
- Dr. Andrew J Brown Avenue from 16th Street to 30th Street

Restrictions may be in place within the area bounded by Pogues Run Trail to the west, I-70 to the north, Bolton Avenue to the east, and 21st Street to the south while drainage improvements are underway. 21st Street from Emerson Avenue to Arlington Avenue was closed on February 21 and will remain closed for 120 days. This project also extends into Warren Township.

Temporary lane closures will be in place on 30th Street from Tyrone Drive (one block west of Cold Spring Road) to White River Parkway West Drive for storm water work.

Northbound lane restrictions are in place for Meridian Street between East 25th Street and Fall Creek Boulevard North Drive. East 25th Street will remain closed to traffic until November 15, 2012.

Restrictions will be in place at the intersection and approaches to the intersection of Shelby Street, Prospect Street, and Virginia Avenue for streetscape and intersection improvements. Project and schedule information can be found at <http://www.indy.gov/eGov/City/DPW/RebuildIndy/Projects/Pages/Fountain-Square-Improvements-Phase-II.aspx>.
